

Dear Friends,

I am pleased to see that year after year, our organization has continued to build on its programs, innovate and lead. We develop new programs in response to emerging needs in our Neighbourhood that also compliment our core programs helping our communities grow and thrive. None of this would be possible without your support and feedback.

Thank you for the pleasure of your support and goodwill during the past year. We wish you a wonderful holiday season and a New Year full of happiness and prosperity.

Anju Rajan  
for The Board of directors.
